

Ashley is a registered speech-language pathologist with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO), and is also licensed to provide Speech-Language Services in the USA. Ashley earned her Masters in Speech-Language Pathology, while attending Eastern Michigan University. She completed her Bachelor in Communication Sciences and Disorders, from Wayne State University, and prior to that she earned a Bachelor in Psychology, University of Western Ontario. She is trained and certified in utilizing PROMPT®, (Parameter, Surface, Syllable and Complex), an effective technique and treatment for people with neurological conditions. Her work has involved working closely with parents/guardians and other professionals for the purpose of developing an efficient and effective treatment plan that has included; individual and group speech and language therapy to children with articulation/phonological disorder, ADHD, autism spectrum disorder, Down Syndrome. Her past work experience has included assessing and treating Traumatic Brain Injury (TBI) patients with impairments in speech, language, cognition, dysphagia, fluency, and voice with an interdisciplinary approach. Ashley joins our Windsor Team and will be providing services in the Windsor, Chatham and area.
