

Aaron joins our London Team in the capacity of Rehabilitation Therapist. He earned a BSc Honours, in Human Kinetics and Nutrition from the University of Guelph. Aaron gained valuable work experience working in both a clinical setting and health care facility.

His experience as a Physiotherapist Assistant, provided hands on, direct care, assisting with therapeutic exercises, for clients who had sustained complex, traumatic, neurological, and musculoskeletal injuries. His clinical therapeutic experience included collaborating with physiotherapists and health care providers to ensure rehabilitation recovery was attained.

Aaron has gained strong leadership skills and continues to develop a passion for assisting others. He is committed to practicing good health and wellness, professionally and personally. He has been an active member in the community coaching and instructing youth in various sports.

His academic achievements, strong commitment to health and wellbeing, combined with work experience are sure to be an asset to the client's he assists and DMAREhability.
