Amy is an Occupational Therapist with clinical experience working with individuals who have sustained acute or ongoing impairments, including orthopedic injuries, soft tissue injuries and/or an acquired brain injury. She earned her Bachelor of Arts with Honours, in Psychology, and her Masters of Science, Occupational Therapy, from Western University.

She has special interest in planning and coordinating hospital discharges, completing in-home or workplace assessments, completing attendant care assessments (Form 1) and providing intervention within these practice domains in order to facilitate and enable clients to return to pre-injury activities of daily living. She is a qualified Administrator of the Assessment of Motor and Process Skills (AMPS) and remains a member in good standing with the College of Occupational Therapists of Ontario (COTO), a registered with the Canadian Association of Occupational Therapists (CAOT).
