

Brent is a graduate of Western University where he earned his Bachelor of Arts Degree, Honors with Specialization in Kinesiology, Minor in Rehabilitation Services (2010) and Queen’s University where he earned his Master’s of Science in Occupational Therapy degree (2013). He is a Registered Occupational Therapist licensed to practice in Ontario. His previous work experience includes working with CBI Health Early Treatment Centre and Centric Health. Brent’s experience with hospital discharges, in-home assessments and assessment of attendant care needs, return to work – including ergonomic assessments, functional abilities evaluations, job site assessments, will be a strong asset in his assessment and treatment of clients with a multitude of injuries including acquired brain injuries, musculoskeletal injuries, and neurological disorders. His experience has provided him exposure to both the auto insurance and the long term disability sectors. Brent is a member in good standing with the College of Occupational Therapists of Ontario (COTO) and registered with the Canadian Association of Occupational Therapists (CAOT).

## BRENT LOVELL
