Carolyn earned a Master's of Arts in Counselling Psychology from Yorkville University, in Fredericton, New Brunswick (2007) and a Bachelor of Social Work, from the University of Windsor (1989). Carolyn is a Professor teaching the Fundamentals of Addictions for the Addictions Counsellor Diploma program at Fanshawe College. Her clinical experience includes over 7 years of community based assessment and therapeutic counselling intervention.

Carolyn has provided a variety of assessments and therapeutic counselling support to individuals, couples and families including Cognitive Behavioural Therapy, Mindfulness, and Dialectical Behavioral Therapy.

Carolyn's main areas of interest include the development and implementation of protocols and treatment for Acquired Brain Injured and addictions, play therapy for children ages 3-16 years of age, standardized depression, anxiety, and chronic pain.

Carolyn is a registered Social Worker with the Ontario College of Social Workers and Social Service Workers and a member in good standing with the Ontario Association of Social Workers.
