

Colleen provides Speech Language assessment and treatment to clients in the London and surrounding area. Colleen is a registered speech-language pathologist with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO) and the Ontario Speech-Language-Hearing Association (OSLA). She earned her Masters of Health Science, Speech-Language Pathology at the University of Toronto, after completing her Bachelor of Arts with Honours Specialization Kinesiology, University of Western Ontario. Colleen's employment experience includes working in the acute care, out-patient and rehabilitation hospital setting providing the assessment and management of a variety of speech, language, cognitive and swallowing disorders in the adult population. Colleen's experience includes assessing and treating individuals with acquired brain injuries, strokes, oropharyngeal cancer and dementia-related illness.
