

Dayna Maitre received her Master of Arts in Speech Language Pathology from Wayne State University in Detroit, Michigan, after completing her Bachelor of Arts in Communication Sciences and Disorders, with a Minor in Psychology. Dayna is a registered Speech Language Pathologist with the College of Audiologists and Speech-Language Pathologists of Ontario, as well as with the American Speech-Language-Hearing Association. Dayna has clinical experience with pediatric and adult assessment and treatment of a wide range of areas of Speech Language Pathology. She has provided services in acute care, short term rehabilitation care, long term rehabilitation care, outpatient, and preschool settings. She has treated clients in group and individual settings, as well as co-treatments with other disciplines. Dayna spent over 2 years in a skilled rehabilitation facility providing assessment and treatment of speech, language, and swallowing disorders to adults with strokes, head injuries, and dementia. Dayna provides services in all areas of Speech-Language Pathology to the Windsor-Essex County area.
