Gina has been a practicing as an occupational therapist for more than 25 years. Her clinical practice has primarily focused in the areas of neurological disorders and complex injuries, including traumatic and acquired brain injuries. Over the past number of years Gina has worked with DMAREhability, assessing and treating individuals who have sustained serious injury, as a result of a motor vehicle collision, involving neurological injuries, multiple orthopedic and multiple trauma injuries.

Gina has worked diligently to bridge the transition from Hospital to home, by providing assessment, treatment and the necessary support, allowing injured individuals to pursue pre-injury activities.

Throughout her career, Gina has continued her passion of learning, through participation in conferences, seminars and courses primarily pertaining to acquired brain injury, spinal cord injury, rehabilitation and clinical practice. Gina has been an active member in her community providing leadership to the Windsor & Middlesex Brain Injury Association and Brain Injury Association of Chatham Kent, through participation in group sessions and provision of information and education to members. Gina is a registered Occupational Therapist with the College of Occupational Therapists of Ontario (COTO) and Ontario Society of Occupational Therapists (OSOT).
