Jasmine earned her Masters of Science, Occupational Therapy, from the University of Western Ontario after completing her Bachelor of Human Kinetics, Honours, including Major in Movement Science, from the University of Windsor, Windsor. While attending Western University she gained valuable experience and knowledge from each of her academic placements including; Hotel-Dieu Grace Healthcare-Complex Care/Residential Rehab., Windsor, Windsor Regional Hospital-Acute Neurology, Hotel-Dieu Grace Healthcare, Chatham, and VHA Rehabilitation Solutions, London. Her role included assessing, and implementing compensatory strategies to aid with all activities of daily living, conducted home safety assessments, seating assessments, proficiently administered MOCA, Alpha FIM, functional cognitive assessments and provided functional analysis.

Jasmine has continued her desire for learning and sought additional opportunities with a focus on Cognitive and Neurological Impairments including: OT Stroke Network Face-Face (2019), Seating & Mobility Workshop (2019), Chedoke McMaster Stroke Assessment Workshop (2018), Non-Violent Crisis Intervention Training (2018) and Applied Suicide Intervention Skills Training (2018) and has her Standard First Aid and CPR-C, Health Care Provider level (2017).

Jasmine will be providing in-home assessments and treatment to increase functional independence for adults and children with varying neurological disorders, orthopaedic injuries, chronic pain, psychological disorder, and injuries suffered through trauma.
