

Judie Hill has been practising as a **NeuroPhysiotherapist for more than 30 years.** Her early years of practice were spent at Toronto Rehabilitation Institute, Toronto, ON. Since joining DMARehab in 2002, she has provided exceptional care and assessments to individuals, of all ages, who have sustained an acquired brain injury / neurological injury or complex orthopaedic trauma as a result of a motor vehicle collision. She is a highly respected Physiotherapist for her knowledge and expertise in preparing medical legal reports. In addition to her interest and passion for learning, she is a certified Clinical Expert in Catastrophic Impairment Evaluations, C-CAT (FO), she received her certification of Vestibular Competency, and her Certification in Neurological Development Treatment (NDT). Judie's main areas of expertise, skill and interest include neuromotor, balance and vestibular dysfunction.
