

Mr. Baskey joined DMAREhability in 2007, as a Rehabilitation Therapist. Kirin studied Sociology while attending Laurentian University, and the Child and Youth Worker Program, at Cambrian College. Kirin also holds a Diploma in The Education of Acquired Brain Injuries for Brock University, in St. Catharine's, ON.

Since 2002, he has worked as a Rehabilitation Therapist, assisting children, youth and adults with varying cognitive & physical abilities. He has facilitated and implemented programming to encourage participation in all activities of daily living, vocational, social and recreational activities. In his professional role, he continues to provide educational guidance and behaviour management intervention, support and create community involvement.

Kirin's compassion and commitment to ensure each individual, no matter the ability, has the opportunity to participate in setting his/her own objectives and goals, has been an added asset to the DMAREhability Team.
