

Larissa has more than 20 years of community based clinical experience working as a Social Worker. Her combined work experience has encompassed a wide range, including; Intake, Therapeutic & Safety Assessments, Crisis Counseling intervention, Crisis education and developing safety plans. She has provided support one-on-one and also to Families. Larissa's knowledge, advocacy and in-depth knowledge of resources have aided Clients to navigate thru the family court system, and identify appropriate resources. She earned both her Masters of Social Work and her Bachelor of Social Work, from the University of Windsor.

Her extensive clinical work experience has included a variety of areas including; Crisis Counselling, Mental Health, Women's Health, Palliative Care Services and most recently Family Court Support and Transitional Housing Support. She has enjoyed assisting individuals of all ages with varying levels of care needs. She has in depth knowledge and expertise assessing, facilitating and leading individual, group therapy interventions. Her work has continued to foster meaningful and productive relationships, with a client-centered approach.
