

Shannon graduated from Wayne State University, Detroit, Michigan in 2011, with her Masters in Occupational Therapy. She is certified in administrating BrainFx 360. An assessment designed to assist health professionals in helping people with mild to moderate symptoms from brain disorders, return to daily life. Prior to joining DMAREhability Shannon was employed in a Long Term Care Facility, providing assessment and treatment to the aging population. Shannon has continued to expand her clinical experience and knowledge working as a Community based Therapist providing In-Home Assessments, Attendant Care Assessments, Hospital Discharge Planning, Cognitive Demands Analysis, Ergonomic Assessments and Physical Demands Analysis. Shannon has her Level 1 Certification with the Ontario Brain Injury Association (OBIA). She is interested in the areas of both the geriatric and paediatric population, particularly sensory motor limitations. Shannon is a Registered Occupational Therapist licensed to practice in Ontario, Canada and Michigan, USA.
