

Tammy has more than 10 years of community based clinical experience working as a Social Worker. She has extensive experience working in the field of mental health, providing services to adults, adolescents, children and families with developmental disabilities, pervasive developmental disorder and general mental health concerns. Her combined counselling experience has fostered a solid understanding of Crisis Management. She is trained in non-violent crisis intervention, managing conflict in traumatic situations and suicide intervention techniques to meet the needs of individuals and families in crisis. Her work has continued to foster meaningful and productive relationships, with a client-centered approach. Tammy is proficient in the use of various therapeutic counselling techniques including, play and art therapy.

Tammy earned both her Masters of Social Work and her Bachelor of Social Work, from the University of Windsor. She is registered and in good standing with the Ontario College of Social Workers and Social Services Workers.
