Brittany earned her Masters of Science, Occupational Therapy from Western University, London, ON, 2012 and Bachelor of Applied Sciences, Child Youth and Family Studies, University of Guelph, Guelph, ON, 2010. She is certified in administrating BrainFx 360. An assessment designed to assist health professionals in helping people with mild to moderate symptoms from brain disorders, return to daily life. Brittany has extensive community rehabilitation and clinical experience working with adult and pediatric clients who have sustained serious orthopedic injuries, soft tissue injuries and acquired brain injury. She is experienced with In-Home Assessments & Treatment, Assessment of Attendant Care Needs (Form1), Hospital Discharge and co-facilitation and /or leading educational groups designed to aid in recovery and better understanding of one's health following an injury or illness. She is a member in good standing with the College of Occupational Therapists of Ontario (COTO), a member of the Canadian Association of Occupational Therapists (CAOT).
